

FOR IMMEDIATE RELEASE

Introducing ParkSafe, Park'N Fly's Newest Set of Health and Safety Measures and Procedures

Toronto, ON (June 11, 2020) - Park'N Fly, Canada's leading national off-airport parking provider announced the implementation of the [ParkSafe Program](#) at everyone of its facilities across the country. The program comprises of new protocols and preventative measures designed to create a safe and healthy environment that provides peace of mind to both customers and employees.

Highlights of the measures include but are not limited to:

- Protective face coverings and disposable gloves worn by all Park'N Fly employees
- All Park'N Fly facilities and common areas are sanitized
- All shuttle buses are sanitized
- Number of passengers per shuttle bus are limited to maintain social distancing

"The health and safety of our customers and team members is our primary focus. These protective measures will ensure we maintain a safe and healthy environment for all," said Carlo Marrello, Chief Executive Officer of Park'N Fly. "As consumers decide to return to air travel, we want to reassure travellers that Park'N Fly is here for them. Our commitment to our customers is that these stringent measures will be adhered to continuously throughout each day, ensuring we provide our customers with peace of mind, knowing they're being looked after."

As Canadians return to travel, whether its business or pleasure, travellers can be reassured that they're in good hands with Park'N Fly. We look forward to welcoming them back.
